Dear Placement Officer,

Greetings from Evertz India

We would like to participate in the Internship and Placement Drive at your university and initiate the process of recruiting students from your institute.

Evertz has a great history working with Interns and lot of the senior engineers at the company have come through the internship process, as such we are very keen on providing real world tangible experience to the students, so it adds a new dimension in their technical profile.

About Evertz:

Evertz India Private Limited is a subsidy of Evertz Technologies Limited (TSX:ET), which conducts business through various subsidiaries including the Canadian based Evertz Microsystems Limited, is a leading global manufacturer of broadcast equipment and solutions that deliver content to television sets, on-demand services, WebTV, IPTV, and

mobile devices (like phones and tablets). Evertz has expertise in delivering complete end-to-end broadcast solutions for all aspects of broadcast production including content creation, content distribution and content delivery. Evertz is a SMPTE Sustaining Member Considered as an innovator by their customers; Evertz delivers cutting edge solutions that are unmatched in the industry in both hardware and software. Evertz delivers products and solutions that can be found in major broadcast facilities on every continent. Evertz' customer base also includes telcos, satellite, cable TV, and IPTV providers.

With over 1,700 employees, that include hardware and software engineers, Evertz is one of the leaders in the broadcast industry. Evertz has a global presence with offices located in: Canada, United States, United Kingdom, Germany, United Arab Emirates, India, Hong Kong, China, Singapore, and Australia. Evertz was named one of Canada's 50 Best Managed Companies, which recognizes excellence in Canadian-owned and Canadian-managed companies. Canada's 50 Best Managed Companies identifies Canadian corporate success through companies focused on their core vision, creating stakeholder value and excelling in the global economy.
